

2021 DIRECT CREMATION AND DIRECT BURIAL SURVEY FOR LOS ANGELES AREA (More funeral homes and mortuaries to come.)

Direct Cremation and Direct Burial services do not include merchandise, cemetery fees, cash advances, third party business expenses, sales tax, death certificates (\$21/each), or disposition permit for cremation or burial (\$12). Other services are available in addition to these alternative selections upon the request of the family. Additional fees will apply. **Always request written quotes, including any and all costs and fees as required by CA law, including tax before you begin comparing prices between facilities.**

Prices shown below also assumes (1) that the distance to transport the deceased to the funeral home is within their standard mile range, (2) the weight of the deceased is equal to or under the maximum "standard" weight for that provider, and (3) their activities are performed during normal Monday - Friday hours of operation. If mileage, weight, or time of activity are outside their stated standard operating procedures, you will pay more. **Always request written quotes, including any and all costs and fees as required by CA law, including tax before you begin comparing prices between facilities.**
